Re: Housing Site Selection

CC: Hoopa Tribal Council

As you all know, we have a terrible housing shortage here on the Reservation. In order to move forward with some new projects to help alleviate the need, we will be hosting a community wide meeting for Housing Site Selection on Wednesday September 6, 2023 at 6 PM in the Council Chambers. At this meeting we will present potential sites for Housing Development and give the Community the opportunity to provide feedback. This will allow the Tribal Council to narrow down our options and select some sites so that project proposals can move forward.

While Kimaw, HVPUD, Land Management, Housing, and Planning will be there, all other departments are strongly encouraged to attend and provide input as well.

Thank you.
