### Memorandum

**Date:** May 25, 2023

**To:** All Tribal Departments

**From:** Joe Davis, Chairman *Joe Davis*

**Re:** Community Support

**CC:** Hoopa Tribal Council

As many are aware, we are hosting the North American Jet Boat Championships (Wednesday, May 31, 2023) from 9 AM to 2 PM. That said, I am encouraging all non-emergency personnel managers to approve Admin leave for all staff who wish to support the local community event provided that a minimum level of function can be maintained by your department/entity in order to meet the needs of our Tribal Members.

To put it another way, I am encouraging as many Tribal employees as possible to attend the event as long as it does not totally shut down any Tribal operations. It will be up to each department manager to decide how that can happen for their department/entity if at all.

The North American Jet Boat Championships is an event that brings in thousands of dollars to our local economy as these racers and their fans and families come from far and wide to spend money in Hoopa so we should make them feel supported. Likewise, it goes without saying that we should support our community's well-being as we strive for success in a very healthy and positive way.

**Please be sure to pull all fishing nets by 7 AM Wednesday, May 31, 2023, and stay out of the river while race boats are in the water to maintain safety.**
