On November 3, 2022 the Tribal Council will be heading up a delegation to Sacramento to address a number of issues with the BIA including funding. We will also discuss with the BIA ways we can streamline reimbursements and approval processes.

If you have concerns related to your department that need to be addressed with the BIA, whether that be funding needs or otherwise, please forward any relevant information to both Danny Jordan and myself via email by the end of the day on Tuesday October 25, 2022.

In doing so, please be prepared to discuss these matters with the Team that will be attending including Council Members, Self Governance, and Staff on Thursday October 27 at 2:30 PM as we will be having one last meeting to prepare before we head South for the NCAI Annual Meeting starting October 31 and the BIA Meeting on November 3 ( and possibly the 4<sup>th</sup>) all of which will be held in Sacramento.

Some of you may be asked to attend the BIA meeting on November 3 either through Zoom or in person so please be prepared to do so if called up by the Hoopa Legislative Team.

Thank you for your attention to this matter.
